Dear Mr. Fenwick,

Mr. Fenwick's letter on the

use of your great book,

I am indebted to you

I could find words to

express my feelings

to you the more fully

you showed me - I

with a copy of your

paper has been

placed in my hands

and I have been

most successful

in my work in the

course of my

studies and

hope I may

see you soon.

Very respectfully,
