IRA WELLS,
Manager.

North East, Md. 1900

have one the other will
be there too.

I only wish I had time
to come home & fix my
boat as I would like
to. It would be the
greatest kind of a
pleasure to have it
down on the Miles
River this summer.
I suppose we will move
down about the middle
of June. I am very
pleas'd so you will have
to excuse so short a letter
write soon

Yours truly
Burrill
