Mr Edward Emory

My dear Sir

I have  
a friend who wishes to purchase  
a good road horse. Do you  
know of any in your neighborhood  
which will give the bill. He wants  
a horse or more  $15^3$  that will road  
ten miles an hour and trot in fifty  
would prefer a bay or brown. He  
or she must be a prompt driver and  
free from vices. Kindly let me hear  
from you at your earliest convenience  
The price must be reasonable as he is  
a man who has not a great deal  
of cash

Very truly Yours  
G. J. G. Jones
