half past eleven & some of the
boys that took several of the
girls home did not get home until
much later.

Well I want to write to sister

With lots of love from
Bessie,

I don't think it would be a good
investment to send a car load
of fat pine to Centerville. It goes
a long way. It generates so much
gas in burning that sometimes it
lifts our sibles all the way off of
the ground. Then we would
rush for the water bucket.
What would it do in a
tight store?
