

if not superior to any other, and would enjoy the boon that
they are certainly entitled to.

What will you do this season? will you have anything
to go in the list.

Mr P. makes a suggestion that from 30 to 50 or more of owners
of 1/2 acre put in \$100.00 each now, the whole divided among
the stockholders records of 2:30 or better in 1891.

Will you think of this proposition, or can you suggest
any thing better.

We will cooperate in anything that will forward
the cause in any way your hair received from quite
a number of people including the following.

Members of Lexington Ky. who we would suggest as a suitable
person to act as Treasurer of the fund.

Should you think anything can be done in this matter
please communicate with those who own D. M. S. and find out
their sentiments in this matter, we will do the same.

Please let us hear from you.

Respectfully

Baldwin & Ellsworth.
