

they were surely in foal and I had plenty of
grass - keep my mares a little longer if your patience
the grass - I will reciprocate favors at any time
my favor - yours truly B. White

little on the old score. But it
has been a terrible strain - I
hope my two mares are with-
foal to H. R. & Co, and I have
luck with the foals they will
keep me - I want to raise a
cock or a to sell for a \$1000.
to pay me back for the feed
I have ~~now~~ brought to carry
along a good many that
hardly paid the cost of the
grain feed - I don't want to
take the mares in a week for
fear the outward mare was
not yet caught - and if these
rains have kept your grass
green - can't you keep them
awhile longer for me and
continue to try the outward
mare from week to week so
as not to lose the chance
of getting her in foal - I have
six or eight mares that the
owners wanted to take away
and I told them that I would
make no charge for keep - because
I wanted them to stay until
