

I wonder if it is a paying invest-
ment to spend the best part of
ones life out here on the wilder-
ness.

I received a letter from Jack last
night. He says things are all in
a stir over the truck camp over
the sale of the Choctaw. If it
is so I am afraid we will both
be on our ~~supper~~ ~~feet~~ ~~soon~~

A full kind of crossie as Mr. Laris
would call it.

He had some kind of an attack
this afternoon & he got pretty
sick. My but I hope he does not
go under.

I will have to say good night.
Please take good care of Miss
Bessie if she comes.

Sincerely
Samuel
