

Miss Bessie has the
little room I had
last year. I have
been wishing for
my boat ever since
I have been free.
I have not been on
a sail boat yet. I only
wish that that
old tub of mine
was worth fixing
up I would have it
done & come up &
get it egg hit away.
I hope Uncle Sumner
keeps his mytill
we get to Lanes
town. We expect to
go up about the
fifteenth of September.
