

I enclose the slip from Jeffrie
you can open the letter & pick out
the one you like best. I have not
a doubt that they both look like
a grave yard. For I felt about fifty
feet below grade when they were
taken. If you do not have to
to send the proofs back you
can send them out for me to
gaze upon. You had better have
the pictures come to Centerville
Send one out half a dozen &
you can keep the rest until
they are needed. I have promised
no end of them but I do not remem-
ber but a few of them. So if they
never get a chance to go on my
memory why I will just be in
a few pictures.

I am up to my eyes in the "Crisis"
I wish you could ^{copy back} a copy of the
"Soldiers of Fortune" & send it
to me. I wish you would send
me that needle out fit as soon
as possible. They do not have
