could come up here  
But I am afraid I  
could not get her  
a room until next  
month. Then she  
might catch typhoid  
There are over fifty  
cases here. But they  
are very mild. I heard  
a doctor say he thought  
it was only a very  
bad kind of malaria  
Some of the patients  
have died & some  
are not sick a week.  
& only one or two
