Dear Sister:

Your letter came to  
day. I would have put a  
note on to the letter I  
sent Arthur yesterday.

But I thought I might  
hear from you today so  
if I wanted I would have  
more to write about.

We are having some  
first class hot weather.

But the nights are  
cool or it does not bother  
us any much.

We sleep with the walls  
of the tent rolled up all  
the time. I expect a  
winter will catch us  
some night - & cover  
us all over the  
country.

They seem to be hav-  
ing quite a warm  
time down on the  
West Indies. I reckon  
it is a good thing  
I did not go to Porto  
Rico.
