

I received an invitation
to help Carl's
wedding today. I would
like to send a present
of some kind But I
have not any chance
to buy it out here.

I wish you would
look on my trunk
& see if you can find
that bundle of pictures
that were taken the
summer we were
at Radar Point.

The ones of the bathing

party & taken on the
tent. I think they are
done up in a Stanton
School envelope & are
on the top tray. If
they are not there they
are in my desk. & as
I do not know where
the key is you need
not bother about them.

I have not seen any
thing of Jack yet
But I hope to see
him as soon as we
get back to Sherman
