

You just tell sister that I am awfully
sorry not to be able to write to her
but I have too much business
on hand just at present.

I am holding down my job
just at present but it is taking
both hands & knees to do it.
If my work only checks out
on this job it will give me
something of a rep. But I am
rather dubious about it. It will
be a case of good luck of
the boss not laying his location
on any of the places I have
suggested. I miss Mr. Jarvis very
much. But I will need him
in my business when he is
if I should happen to go to
Boston to school.
