

day saying he had  
forwarded several letters  
to Centerville that  
came to his office  
for one. One of them  
was a registered letter.  
Have you heard or  
seen any thing of  
them. I would not  
have the registered one  
lost for any thing.  
If you have heard of  
them or if you have  
heard of any thing  
at all please let me  
hear from you.
