

miles are between us  
at present. And  
western miles are  
not the shortest in  
the world.

If I go back to school  
in the fall it will  
be awfully hard for  
me to give up this  
job out here. You  
see I am in on the  
ground I love as it  
were I have the  
honor of being one
