

St. John's College
January 20, 1899.

My own darling Brother,

I received the money and the prescriptions but before I buy any more I am going to take a good look again for them. They must be in the room here some place because I had them before Christmas. I must have forgotten to tell you that Mrs. Balch had given me for a Christmas present an orange and black neck handkerchief. so I wrote to her thanking her for it
