

I am mighty glad that
your eyes are almost
well because I have
been worrying about you
because I know what
it is. I hope ^{your} eyes are feeling
better now, but I am
having those dreadful
headaches again I
can not study much
at night ~~now~~ yet.
I am washing my
eyes every evening reg-
ularly.

Ed and I went to
a lecture last night
to hear Dr. Talmage
lecture and it was
fine. I tell you.
He has been all over
the world he has
