Maryland.

St Johns College

January 25 1899

My own darling Mother;

I just received
a letter from you to-day.
I will tell you all about
the Y. M. C. A.

The boys that belong
to it are of the college
there are no down town
boys and the boys are
very nice boys but
it is run very much
on the Methodist plan

First the president
gets up and talks to
the boys a while and
then he asks one of
the congregation to say
some more on the same
