

MSA SC 5807-21-

subject and so on.

They have it every Sunday evening for about an hour at a time. Dr. Hill gives a lecture once and a while which are very interesting. I mean they are in the M. M. B. building. The W. M. C. A. is held in the Chapel I guess that is about all about it. The president is a very nice kind of a fellow is a sr. of this school. I have found the old drops and I am putting them in my eyes regularly every day. My eyes are getting a great deal
