think and Mrs Hardy
thinks I am getting
along very well.

I sure do you think
Papa is coming home
again.

I have been skating
to-day and had a
fine time and also
fell a little tired.

Ted sends much love
to all of you. There
is a fellow in the
hall that has been
sick for the last two or
three days and he
is getting by threatened
to blow his brains out
he did take the pistol
and held it up to his
head but it did not
have any bullets in
