

MSA SC 5807-21-

presses, and threw us  
down in the snow and  
washed our faces good  
and then snow-balled  
us. We are having quite  
a time about going out  
to-night Prof Quinn gave  
Mr Cartney and I per-  
mission to go out to-  
night and because it is  
snowing a little bit  
he has told us we can  
not go. It has been  
pretty cold down here  
for the last two or three  
days. day before yester-  
day the thermometer was  
down to 13° below zero.

They are going to give us  
our marks tomorrow and  
I will write right away.
