We had a fine time  
drilling to-day I will tell  
you all about it.

"Co B" was sent out to  
hide and then "Co A" +

"Co C" were sent out to cap-  
ture them we had black

cartridges and it sounded  
like a real battle I tell

you I am in "Co C" and  
the two cos. sent to cap-

ture the other Co. of course got  
it. I put this letter off for

so long that I can not write  
much. My cold is a little bet-  
ter the cough has all most gone  
but I can hardly talk longer than
