nearly exhausted all the
time. I am mighty sor-
ry I am not home with
you to help tend the sick
and work your flower-
boards ~~for~~. I am so glad
you have been working
Cuba does he pull his
side up all right,
I am glad Fletcher is
so kind to him and
does not worry him be-
cause that is every thing
in breaking a horse,
My mouth waters when
I hear of caramel. The lot
