

I have run a little short
but I am making a
little now and then
waiting time for the boys
I get 5 cts. a sheet.

I am glad you asked Papa
to send me some stamps
because I want some very
much. I will be just
as gentle with Phoebe as
it is in my power and
you see when I come home
if there is't some sin-
jurement, you don't know
how being away from home
makes you appreciate
it and every thing in it.
Give my love to all.

From Harry.
Don't worry about me because I will pull
through all right.
