

with the half as well
as going but the
Hotel for you would
arrive first - as we
were leaving ^{at} and
make by this
late Horn does
go like a shot
that. He would have
to start at 8 o'clock
from here anyway -
so it would be less
expense and better
all around for you
to wait in town for
us - I received
check -

Should you desire to
hire the team & come
you could make it -
