

Lawrence Scientific School, told him he would probably excuse a fellow if he wanted to go to a family gathering. Accordingly, Clem could get off if there would have a family gathering on Friday, Saturday, or Sunday.

For my part, I have said nothing to any of the officials about staying over Sunday, as Mr. Duane, and also a junior, said that nothing serious would happen if you said nothing and did not come back. I think that I shall get my adviser's opinion on the subject. However, if you apply to the dean, or send a petition to the faculty and are refused, it will not do to stay home then. ^{Later} They are very strict about cuts on Friday and Saturday after Thanksgiving.
