

MSA SC 5807-21-

buggy or send it for
 father. I should not
 fancy driving in a
 buggy with any of
 the Godmans.
 I am invited to go to
 Atlanta with the Colonial
 Dames next week. It
 seems odd for father
 and me to be taking
 excursions separately,
 but maybe it will make
 more variety in the
 family compensations.

Rachel and Marion were
 not very well this morning.
 Going up and down is
 very tiresome and I am
 sorry they have to do it
 so long this year.
 How do you like Memorial?

We still get good corn
 & tomatoes, but I suppose
 they will soon be over, as heavy
 frost is predicted. I shall
 have about 200 presents.

Lovingly Mother
