

times in vain as they  
were expecting her from  
day to day.

Isobel has lots of  
wedding presents. Minnie  
solid silver trays - I  
had bought a comb for  
Heleen to give her, but  
changed it for a dozen  
cut glass tumblers and  
finger bowls. I gave  
her a mahogany table,

Biddle, grape scissors  
and Alan a little silver  
candle stick, Rachel  
a pair of china candlesticks  
and Marion a plate.

By the way "Mediacoral"  
is my way of spelling  
that word. Both of  
you have spelled labo-  
rory without the first o-  
by accident I suppose.
