The thermometer stood 76 several  
mornings - which is good  
winter weather -

I hope you got the front field  
sowed this week - if so the  
Cain Case will hurt you much.  
I shall come home first -  
then go to Puerto - as the Co -  
will pay my expenses home  
and I fear they would kick  
if I went by way of Puerto -  
but if I find Mr. Conroy is willing  
to allow me expenses to Puerto - I  
will let you know -

Your ever loving  
Husband -
