you the discharge of blood is  
about the same - which I found  
is not right - I may be home  
as soon as this letter reaches  
you but I like to write a  
few as possible that you  
may find that I am all right.  
I wished I was with you today  
it is very cloudy and would  
give a man the blues - Mr.  
Hayes and I have just returned  
from a long walk - he said  
as we came back he supposed  
our wives were wondering what  
we were doing - and he would  
like them to be able to look at  
us in our bonnets -  
I wonder how you are - I will be  
glad to get back to New York - and get  
a letter from you -  
I trust you have gotten on all right  
Sincerely -  
your loving  
Husband -
