NEWTON, N. J., June 17, 1900.

I am so glad Phoebe has
felt no bad effects from the
hair cutting - I had a lovely
letter from Alice today -
you will find me looking for
you about the 3rd of February
I guess old Chance will come
for his blades soon - I don't
care for him much now -
I think you will find things
working on the farm all right
this year -

Kiss the dear children
for me -

Your loving
Husband -
