My darling Alice,

I was driving yesterday and it was so cold I forgot to send you the \$1.50 - but I will send it this morning the first P.O. I reach and I hope you may receive it tomorrow - surely by the 1st which I hope will be in plenty of time - I hope to get back to show you tonight - but I may not get back before Friday night - I trust you found all well when you reached home -
Your ever loving
Husband -
