And you Feb 11, 1900.

I am very anxious to know how the boys came out -
of course Miss Brown was not pushed thru a particular.
I have been thinking a great deal about her - and
wondering what is the best course to pursue with
him - of course there is not a chance for him to
get in the navy - as you have always said - but I
hoped for him - so write me all about them,
and you self -

Your very loving
Husband,
