New York, Feb 22, 1900.

You must have had much more snow than
we did - I am feeling much better today.
I have had dyspepsia for two days - and it made
me feel miserable - but I am all right - again
I really am getting to feel for comfort -
I will send you \$23 - tomorrow by registered letter
or check - one of the two - that it may reach
you Saturday - I will make out my expense
account promptly - and request that you
send it to me by the 1st - true I hope you will

My darling Alice,
Your letter has just arrived, and
you cannot begin to know what pleasure it gave me.
The snow has almost gone here - as it was warm
yesterday - and it commenced raining
last night - and blew a gale - it is not raining
much - but I have not ventured out owing to
the storm - besides I have had some work to do.
and I will make up my expense account -
that I may not have to work much Sunday
