I was able to through the month, with out troubling
my salary this month will be \$86 - which will
give you Hitches \$3.00 clear - I would not
keep him waiting for his money if you have to
advance it on the next month.

I feel very sorry for poor Jack - I can not
see how it will be possible for him to pass
through - when he only gets \$1.00 per month. Some
of his family ought to help him - Help - has
no one but himself - they are all selfishness to self

I wished I could hear Janice Meredith.
it must be beautiful - I have heard persons
speak so flatteringly of it -

It is a great comfort to me to know her - is
himself again - make him careful for a
while - I fear I will not get home until Saturday
rather March 3rd as I fear Conroy will be
from Chicago about that time and will have
his annual supper - I wished it was over
and I despise it - I hope he will not have it
