My own darling Alice,
I have just arrived in New York
and I found your dear letters, and they
are always a great comfort to me -
I wrote you from Riverhead saying I was
troubled all right - I did not expose
myself to the Snow Storm - I think you
had about as much snow as we have
here - the rain washed it away about
Riverhead - I feel much better today

I am glad when Fletcher is back and
that the stock is doing well - for the
March Champs are very hard on them
I hope dear little Thib's will soon be
up - and feeling well - I think you care
that the Dr. Curving Gripper, it is wonderful
how soon you relieved it -
I really think I am good for work now and
you will not see me until April - probably
I will come some where about the 1st or 2nd
