want - about - you and to say you
perfectly right - in leaving her - so you did not
know what to do -

Mrs. Fishers letter is truly as they always
are - and it worries me to hear you and Phoebe
are not fixed to appear in public - do let me
know how much money it will take to fix you
up - and I will send it to you - if you do not
want to take Phoebe and Jane - and they will
be so much care - of course leave them
for I look upon this as a visit to help
you as well as improve the children.

I would see Mr. Garland about the measurement
of logs - and then you can write the parties
at Chestnut for the money - by a certain
date - and do not make it too close to your
time of leaving -
