My darling Alice,

I had expected to receive
 a letter from you today. But
 I gave you my address some
 time Thursday - and I had
 my mail forwarded from
 Trenton N. J. I suppose
 you must be taking up getting
 you and children ready
 for the Phila trip - I fear
 you will be so much used
 up you will not be able enjoy
 yourself - I started Middleton
 potatoes today - they are from
 Mountain I will enclose you
 two dollars in this to pay the
 freight - I will send you
