

as comfortable as possible - and I shall
have my hand again around me -

I am very much worried at the news
of Fletcher's health - I hope this will bring
him out of him in his situation -

I suppose the hands always take off
in 1800 days - The boys always come
up all right - I think you are perfectly
right in keeping them home for a while
as it will not let them back - but it will
advance you work greatly - I am so glad
to hear Mr. Curry - I will be very glad
to get Peter starting - not withstanding my
work is increasing so much - that I have
put in all of this Sunday - I hope you
will let me know about the money today -
for if you do not get the money out of the
