My darling Alice.

you of the 1st I have just received
and I am glad when you have fixed the
black dogs front - for they he will know how
to take care himself from now on - I really have
been afraid he would injure some one.
I was very much pleased to see you so
much advanced in your work - as I want you
to have a good work before going to Phila -
as I want you to have a good time - and not
feel dragged to death - when you get home.

I feel sure Middleton will have the blades
all right - I hope Fletcher's improvement
will be permanent - as he will be valuable
to you - I enjoyed every minute of my stay
home - and I did hate to see you drive
away - I had a very nice letter from Harry.
I will see if I can get you the Cabbage -
I think I can get you a pound at 50 cts -
you are doing
Harry
