Proprietor.

Steam Heat, Electric Lights,
Baths—everything new and
up-to-date.

Long Distance
Telephone.

Deckertown, N. J., May 17 1900

We had a great Sunday
and one last night—
which made it quite
cool — and it is surely
a great relief —
I am beginning to count
the days until I get home
and how you worry me —
as it only seemed to
me about two minutes
Sunday — that I was with
you alone — I hope some
day when you is always
have you by my side —
that will be bliss —

Your ever loving
Husband
