My darling Alice,

I have just arrived in New York -  
and find your three letters - and it is too shocking  
I could not have had your letter before. As it is  
now you will not get the money until Monday.  
I will mail it to you as soon as I get this  
written - I hope it will not inconvenience  
you a great deal - if only you will be  
able to take up the \$10 note you will have  
the money on Monday - It has been  
raining furiously all the morning - indeed  
it commenced last night - I hope you are getting  
it - I am so sorry you did not get \$10 from

DICTATED LETTER

on Sunday. How you could have gone on with  
out worrying - which I fear you will do.  
I am so glad to hear you feel so much  
stronger - and a real benefit from your  
visit - but I fear the house cleaning  
will use you up - please do nothing important.  
It is a great relief to have hearing you sound  
every thing in such nice shape -  
I want to come home on the 26<sup>th</sup> but if I get  
caught down on Long Island - I will not  
see you until the following Saturday -  
Love to the children -  
I send you \$20  
you were sorry  
Haver -
