M^CCORMICK HARVESTING MACHINE CO.
CHICAGO.

S. R. CONREY, GENERAL AGENT.
1933 MARKET ST.

190

I suppose Mr. R - knows about Ford - and
I feel sure he is throwing himself away -
I guess you did very well in getting the
hired calves - and I think your decision very
good in not getting the bull - I see the money
all goes from you - but it means bills paid -
I hope you will get the under clothes -
You want dry weather from now until you
get the wheat thrashed -

Yours very truly
Harry
