

MBA SC 5807-21-

I fear Jessie will break down
if she does not take a rest -
says she will take July. I
hope it may do her good -
They are fortunate in having
the home filled -

I wished they could get
a good house - that they
might have a comfortable
room to sleep in -

Enclosed you will find
five for home - Let me
know if meadows birds
has been fixed -

I must stop as I am
tired out -

Love to all -

Yours very truly
S. M. M.
