West Chester, Pa., July 17, 1908,

My darling Alice,

I was away from West  
Chester from Thursday morning  
until last night is late to get  
my mail - but this morning  
I brought you all three of  
your letters - I can not tell  
why I did not get your letter  
last Saturday morning -  
at any rate I enjoyed them  
all immensely - and I feel  
like coming down to you  
tomorrow as you are not well.  
I will wait for tomorrow  
morning's mail to see if I  
hear from you - and when  
Mrs. Potter arrived tonight  
I went into Philadelphia -
