

MSA SC 5807-21-

What he makes - he is a  
brave good boy - in many  
ways - and his entire heart  
is filled with human  
kindness - but I think this  
will teach him a lesson  
and to raise his head -

I can not say when I will  
be in but - I think probably  
Thursday night - as I  
do not see how I can manage  
it Wednesday night -

Do take care of your self.

Yours ever lovingly

Harry
