

I ask of you. Will you  
not allow me to have the  
pleasure of giving you a  
copy of Park's new railroad  
trials, if you bring the  
train with you? It would  
be such a pleasure to  
have them all here at  
the same time, that to  
send this, New Orleans,  
if it is at all  
possible.
