

EXAMINING SURGEON'S CERTIFICATE

IN THE CASE OF AN APPLICANT FOR INCREASE OF PENSION.

No. of Certificate, 58,058

State: _____ County: _____
Post Office: Washington D.C. Mar. 8th 1879.

It is hereby certified That Oliver Scott
formerly a private of Captain - E - Company,
in the 32nd Regiment of U.S.C.T., in the war of 1861
who is now paid at Washington D.C. Agency at the rate
of 4 dollars per month, on account, as he states, of Gun shot
wound

while in the line of duty in the military service of the United States, on or about the
day of _____, 18____, at a place called _____
in the State or Territory of _____

Here specify the particular disease or injury.

is still suffering in consequence of said Gun shot wound
of right hip -

The disability originates entirely from the injury or disease on account of which he was
originally pensioned, as follows:

Height, 5-8 ; weight, 184 ; complexion, black
age, 37 ; respiration, 18 ; pulse, 84

Here state fully and accurately the character of the pensioner's disability, and how he is at present affected thereby; also, state whether the disability is permanent in its present degree, and whether it has been in any degree caused or protracted by vicious habits.

Gun shot wound, ball entering just in
front and above crest of right ilium and
passing backwards came out about two
inches to the right of promontory of sacrum,
Cicatrices well healed adherent. some loss
of substance of bone, and some loss of
strength in right hip and leg.
Permanent no evidence of vicious habits.

we find his disability, as described above; to be equal to, and entitling him to
one half (1/2) \$4.

J. J. Gannon, M.D.

Lachlan Tyler, M.D.

Robert Keyburn M.D. Pres
Board of Examining Surgeons

The Surgeon will forward his report of examination direct to the Pension Office whether the pensioner is thought to be
entitled to increase or not.
