~~If~~ ~~the~~ minors, Ida, Dora ~~x~~ Reba, and if they have died the dates of death should be proved, as the ~~more~~ unsworn statements of Maude Moore, Mary Mildred and Gertrude D. Smith cannot be accepted. are ~~not satisfactory~~.

It is further advised that it is alleged in the declaration that Daniel was born in March 1896, and that Della ~~was born~~ May 3, 1903, while the testimony of Eliza White shows the date of Daniel's birth as March 12, 1897, and that of Della, as May 10, 1902. This discrepancy should be explained, under oath, by the party in error and the correct dates of ~~birth~~ death established.
