

the army - did not know he was a soldier until after the war.

Sacred Johnson was in Baltimore sometime prior to enlistment in the army - was here before his marriage, but I cannot tell where he lived here or anything about him at that time.

He was about 5 ft 8 in, black, or very dark - eyes black - was a laborer - he used to follow Crabbing in summer.

Susan has not remarried since the soldier's death.

I have understood your questions and my answers have been correctly recorded.
